Money towards teacher support assistant job -taking language intervention groups. Time to talk / Time to listen / EAL groups

The impact of this is measured termly through data on pupil premium children in their cohort. Staff look at progress or lack of progress, and annotate next developmental areas / skills that need to be worked on over the next term, to diminish the difference, and support children to make accelerated progress according to their actual age compared to their academic age.

We will be reviewing our school pupil premium strategy at the end of this academic year.
