

## Bentilee Nursery school Accessibility 2017-2024

This accessibility plan has been developed to ensure that the needs of all pupils / adults are increasingly considered and outcomes are progressively improved. Its overall aim is therefore to ensure that the plan is in accordance with the Equality Act 2010 Priorities have been identified through data collection, pupil baseline entry data, parent / carer consultation, multi-agency meetings and teacher observations of pupil progress and areas for development.

The plan will be reviewed termly. Jayne Grindey and Kate Adams are our school co-ordinators. It will be reviewed annually by governors. The school will ensure staff are provided with appropriate training. It is reviewed annually by governors at our Autumn term full Governors meeting.
